microbiome-boosting
plant protein*

17 GRAMS
OF ULTRA-PURE,
PLANT-BASED
PROTEIN*

NOURISHES
GOOD GUT
BACTERIA*

HELPS CONTROL
APPETITE AND
SUPPORTS
MUSCLE MASS*

Our days are usually filled to the max. Especially on busy days, we don't always have the opportunity to get the nourishment our body needs. Many people find themselves skipping meals, eating a fast-food meal, or perhaps making a protein shake for a breakfast pick-me-up or an afternoon perk. The problem is, many of us are consuming bad protein powder, which lack diverse amino acids, have fillers, or are just low quality in the kind of protein they have. They usually taste bad too. Our opportunity was to formulate a protein powder that was not only great for your body but tasted great too!

Introducing Amare GBX Protein™, the world's first protein powder specifically developed to support the gut-brain axis and boost the gut microbiome! The Amare Microbiome-Boosting Protein Blend features Artesa® Chickpea Protein, which gives a nice texture and flavor to the blend. The chickpea blend is formulated with premium, sustainably sourced chickpeas — so it's not only good for your gut, but for the environment too. The blend is completed with the inclusion of high quality brown rice and pea protein which help control appetite, promote cardiovascular health, and speed metabolism.*

Our GBX Protein packs a protein punch, delivering 17 grams of pure plant protein. Our unique chickpea, brown rice and pea protein blend nourishes good bacteria in the gut and improves microbiome balance, while controlling appetite and supporting muscle mass. Our specialized blend is smooth (not gritty!) and flavorful, unlike some other protein blends on the market.*

This protein-filled blend comes in two delicious flavors, chocolate and vanilla, so that you can easily add it to milk/non-dairy milk or mix it with your favorite shake.

Plus, it's Reboot+ friendly, and works wonders to support an optimized Amare reboot! Make sure to add it to your daily diet for a great source of nutrition.*

GBX Protein™ delivers 17 grams of pure plant protein. This unique chickpea, brown rice, and pea protein blend nourishes good bacteria in the gut and improves microbiome balance, while controlling appetite and supporting muscle mass. Fully-loaded with only functional ingredients, this potent formula supports the gut microbiome, helping fuel a healthy lifestyle.*

- 1 Nourishes good gut bacteria*
- 2 Improves microbiome balance*
- 3 Helps control appetite*
- 4 Supports healthy muscle mass*
- 5 Increases feeling of fullness*
- 6 Increases energy*
- 7 Each serving contains 17 grams of ultra-pure, plant-based, Non-GMO, vegan protein with precise ratios of 9 essential amino acids, optimized for high protein quality*

Item Code:

GBX Protein (Vanilla):	S015
GBX Protein (Chocolate):	S016
GBX Protein (Salted Caramel):	S029

SCIENCE & INFORMATION

Key ingredients in GBX Protein have been clinically shown to:

Improve microbiome balance*

Help control appetite*

Increase energy*

GBX PROTEIN™

KEY INGREDIENTS

Artesa® Chickpea Protein

- Premium, sustainably sourced chickpeas*
- Unique microbiome-boosting phytonutrients*
- Smooth flavor and taste

Brown Rice

- Helps with weight loss and speeds metabolism*
- Improves liver function*
- Promotes cardiovascular health*

Pea Protein

- Helps maintain muscle mass*
- Aids in weight loss*
- Supports heart health*

Directions: Mix 2 scoops in 8–16 oz. of water, milk or smoothie. Consume 1–2 servings per day for optimal gut-brain axis support.

GBX SEEDFIBER™

microbiome-boosting seed powder*

NEXT-GENERATION APPROACH TO OPTIMIZING THE GUT-BRAIN AXIS

CONTAINS NATURAL MICROBIOME-BOOSTING FIBERS*

HELPS MANAGE FEELINGS OF STRESS, TENSION AND ANXIETY

It's important to take a daily product that helps the overall diversity of our gut microbiome. Seed fibers deliver a diverse range of phytonutrients needed for the microbiome system. We identified the need for a product that not only delivers a diverse blend of seed fibers, but also features a comprehensive array of phytonutrients that support the gut-brain axis.*

GBX SeedFiber™ is the next-generation approach to optimizing the gut-brain axis. This advanced formula contains phytonutrient-rich seeds as sources of natural insoluble fibers, helping you feel fuller, longer. The robust Cold-Pressed Seed Powder Blend contains sunflower, cucumber, cranberry, black cumin, blackberry, and concord grape seed fibers. This blend supports the immune system, skin health, eye health, brain health, heart health, and increases stress resilience.

AHCC®, a clinically-studied & patented cultured mushroom mycelia extract, rich in alpha-glucans and effective for immune support, is a rare and premium ingredient found in GBX SeedFiber. AHCC supports microRNA signaling between the microbiome and the central nervous system. This unique ingredient helps manage feelings of stress, tension and anxiety.*

This product provides a diverse source of fiber and can be added to blended beverages and healthy baked goodies — anywhere that you want to boost fiber and phytonutrient content.

Plus, it's Reboot+ friendly, and works wonders to support an optimized Amare reboot! Make sure to add it to your daily diet for a great source of nutrition.*

GBX SeedFiber™ is the next-generation approach to optimizing the gut-brain axis. This phyto-biotic-rich formula contains seeds as sources of natural microbiome-boosting fibers, helping you feel fuller, longer. Featuring a cultured mushroom mycelia extract to support microRNA signaling between the microbiome and central nervous system, this unique blend helps manage feelings of stress, tension and anxiety.*

- 1 Supports "brain-to-brain" communication*
- 2 Naturally modulates microRNA signaling*
- 3 Helps manage feelings of tension and anxiety*
- 4 Supports natural microbiome modulation*
- 5 Helps control appetite and reduces feelings of hunger*
- 6 Fortifies raw food creations with high antioxidant activity level and polyphenol nutrients*

Ingredients: Cold-Pressed Seed Powder Blend [Sunflower (*Helianthus annuus*) seed, Cucumber (*Cucumis sativus*) seed, Cranberry (*Vaccinium macrocarpon*) seed, Black Cumin (*Nigella sativa*) seed, Blackberry (*Rubus Fruticosus*) seed, Concord Grape (*Vitis vinifera*) seed], Shiitake mushroom (*Lentinula edodes*) mycelium extract (AHCC® - activated hexose-correlated compound), Rice fiber, Bamboo silica

GBX SEEDFIBER™

KEY INGREDIENTS

Cold-Pressed Seed Powder Blend Includes:

Sunflower Seed

One of the top natural sources of good fats, copper, selenium, folate, vitamin E*

Cucumber Seed

Great source of fiber and beta carotene, which helps with immunity, and skin and eye health*

Cranberry Seed

Great source of vitamin E, Omega-3, -6 and -9, and also acts as an antioxidant to protect your body from stressors*

Black Cumin Seed

Contains B vitamins and antioxidants, and helps boost the immune system*

Blackberry Seed

Rich in Omega-3 (alpha-linolenic acid) and Omega-6 (linoleic acid) fats, which are good for heart health and brain health*

Concord Grape Seed

Great natural source of vitamin A and E, which is crucial for skin, circulation, cholesterol, and has antioxidant effects*

Clinically Studied Patented Ingredient:

AHCC® — Activated Hexose Correlated Compound

- Cultured mushroom mycelia extract
- Effective for immune support*
- Rich in alpha-glucans*
- Supports microRNA signaling between the microbiome and the central nervous system*

GBX SUPERFOOD™

microbiome-boosting fruits and vegetables*

NUTRIENTS EQUIVALENT TO THREE SERVINGS OF FRUITS AND VEGETABLES

NOURISHES GOOD GUT BACTERIA*

PROVIDES CELLULAR ANTI-STRESS BENEFITS*

GBX SuperFood™ provides the phytonutrient equivalent of three servings of fruits and vegetables per scoop. This phyto-biotic-rich blend delivers cellular level anti-stress benefits and helps protect cells from a variety of different stressors, helping the brain and gut run at peak efficiency.*

Many of us don't get enough servings of fruits and vegetables throughout our day. The body's microbiome depends on phytonutrients from fruits and vegetables. That's why we developed GBX SuperFood™. We wanted to solve that "I didn't have time" problem we face when it comes to nourishing our bodies with the right amount of nutrition, so we packed the phytonutrient equivalent of three servings of fruits and vegetables per serving into this product.

Formulated to boost the gut microbiome and support the body's gut-brain axis, this product features two powerful proprietary blends. The Anti-Stress Phyto-biotic Proprietary Blend helps protect cells from damage by oxidative free radicals and inflammatory cytokines, helping the brain and gut run at peak efficiency. The Gut-Integrity Prebiotic Proprietary Blend provides a broad blend of prebiotic fibers to support a healthy microbiome and maintain overall gut integrity.*

If that weren't enough, GBX SuperFood is also the only phytonutrient supplement that delivers cellular anti-stress benefits that you can actually feel. It helps induce the production of natural anti-stress molecules inside our cells called Heat Shock Proteins (HSPs). This is with the help of an Enzyme-Treated Asparagus Extract (ETAS™). These HSPs help protect cells from a variety of different stressors and even help with cellular cleanup processes to keep both our brains running at peak efficiency.*

Our GBX SuperFood comes in a delicious, all-natural Sweet Apple Berry flavor. It is designed for everyday use to support a healthy lifestyle. Plus, it's Reboot+ friendly and works wonders to support an optimized Amare reboot! Make sure to add it to your daily diet for a great source of nutrition.*

- 1 Phytonutrient equivalent of three servings of fruits and vegetables per serving*
- 2 Provides cellular anti-stress benefits (improves stress resilience)*
- 3 Helps the production of natural anti-stress molecules (Heat Shock Proteins)*
- 4 Protects cells from damage by oxidative free radicals and inflammatory cytokines*
- 5 Helps with cellular cleanup processes, which keeps both brains running at peak efficiency*
- 6 Supports a healthy microbiome*
- 7 Maintains overall gut integrity*

SCIENCE & INFORMATION

Key ingredients in GBX SuperFood have been clinically shown to:

Increase Heat Shock Protein expression*

Enhance internal cellular cleanup (autophagy)*

Provides stress resilience benefits that you can FEEL at the cellular level*

GBX SUPERFOOD™

KEY INGREDIENTS

Anti-Stress Phytobiotic Proprietary Blend Includes:

Spirulina

- A natural algae that provides potent nutrients and is a good source of antioxidants and B vitamins — high in proteins and helps with gastric integrity/balance*

ETAS: Enzyme-Treated Japanese Asparagus

- Supports mood and cognitive function*
- Protects neuronal cells*
- Induces the production of natural anti-stress molecules called Heat Shock Proteins*

Fruit and Vegetable Blend

- Provides three servings of natural fruits and veggies for comprehensive nutrition in a convenient, single serving*

Beet Root Carrot Spinach Kale Strawberry Pomegranate Cherry

Gut-Integrity Prebiotic Proprietary Blend Includes:

IsoFiber™ (Iso-Malto-Oligosaccharides)

- IMOs are naturally occurring plant fibers that are clinically shown to improve the growth of gut bacteria.

Apple Fiber

- Helps with bulking in the intestinal tract, and heart health*

Chia Seed

- Good source of Omega-3 fatty acids, fiber, antioxidants, proteins and calcium*
- Good for heart and brain health*

Flax Seed

- Good natural source of Omega-3 fatty acids, lignans and fiber*
- Helps with heart health and brain health*

- Sugar Free
- Non-GMO
- All Natural
- Vegan
- Gluten Free
- Soy & Dairy Free
- No Preservatives
- No Artificial Colors
- No Artificial Flavors
- No Artificial Sweeteners

Directions: Mix two scoops in 8-16 oz of water. Consume 1-3 servings per day for optimal gut-brain axis support.
